

PRESCHOOL ENRICHMENT PROGRAMS-

CLASS DESCRIPTIONS: 3's & 4's

Lil Camp Sports(need minimum of 8 students) - taught by Creative Movement and Dance. This class will promote skill development, balance, strength, coordination and gross motor skills that are used in any sport, as well as, cooperation, positive sportsmanship and team attitudes.

Playful Picassos- This is an art class where children explore many forms of art by creating their own through different mediums - painting, clay, pencil, watercolors and more. Children will develop their fine motor and handwriting skills, ability to follow directions and increase their attention span.

Music and Motion - with Ms Jennifer! This class will have the children moving to lively music as they study rhythm, movement and are introduced to many kinds of musical instruments.

Around the World - This class will be a combination of exploring foods, customs, stories and crafts of other cultures from countries around the world. The children will be involved in cooking and creating a craft from each country that is studied.

Ballet/Tap - (need minimum of 8 students) A combination class where students will learn basic dance techniques through ballet, which helps teach the proper shifting of weight and patterns in movement for tap. Each student will need their own pink leotard, tights and slippers and black tap shoes. In May, parents will be invited to a recital held here, in which there is no recital or costume fee.

Wiggles & Giggles- This class will involve the children in many fun activities- games, obstacle courses, parachute activities, etc...- that will increase their fitness and help them build their coordination, left and right skills, and gross motor skills.
